

JUNE 2023

Dear Neighbor,

It is my honor to serve as your state senator for the 31st District, covering parts of York and Cumberland Counties. The boundaries changed in the recent redistricting process, and I welcome those who are new to the 31st District. I have been busy visiting businesses and organizations and meeting constituents in the new parts of the district, and I look forward to continuing to do so.

For those who don't know, I had a 23-year career in the U.S. Marshal Service prior to serving in the House of Representatives until coming to the Senate in 2017. My law enforcement background lends itself to my role as Chairman of the Senate Law and Justice Committee, which primarily oversees police and liquor matters.

Know that my staff and I are here to serve you, and that it is my privilege to be the voice of our district in Harrisburg.

Mike Regan

LEGISLATIVE PRIORITIES

School Safety

Pennsylvania state government must take steps to enhance the safety and security of students while they are in school. I have introduced legislation and am working with my colleagues to enact policies that will better secure our schools and protect our students.

Supporting Police

Law enforcement officers put their lives on the line every time they put on their uniform and go to work. Our commonwealth must support these vital public servants by providing them with the tools and resources necessary to perform their important responsibilities.

Economic Security

I will continue to support policies that enable our employers to grow and expand, and our workers to find and keep good-paying jobs. With historic inflation negatively affecting family budgets, I will promote policies that enable employers and workers to keep more of their own money. Pennsylvanians deserve an economic environment that enables them to provide for themselves and their families.

HERE TO SERVE YOU

My staff and I work to make state government more accessible to you. The list below outlines some of the ways we may be able to help.

We can:

- Provide copies of legislation and state laws.
- Assist in the process of applying for state licenses, unemployment claims and state permits.

- And much more!

RECOGNIZING AN AMERICAN HERO IN THE PENNSYLVANIA SENATE

I had the honor of welcoming Mr. William Caparella, a resident of Lower Allen Township, and his family to the Capitol for a luncheon and recognition in the state Senate. Mr. Caparella, who turned 100 years old in January, is a distinguished World War II veteran, having survived a kamikaze attack in the South Pacific. He went on to have a 42-year career with Pennsylvania Power & Light, and together with his wife, who only recently passed away, raised three daughters, all of whom joined him during our visit.

As Chairman of the Senate Law and Justice Committee, I was actively involved in the confirmation process for Pennsylvania State Police Commissioner Christopher Paris. Colonel Paris appeared before the committee, which voted to advance his nomination. He was later confirmed by the full state Senate. Paris has served with the Pennsylvania State Police since he began his career as a 22-year-old cadet.
